Dear colleague,

We invite you to take a look at the [scientific program](#) of Brain Plasticity in Epilepsy, a unique meeting held in [Leuven, Belgium, May 13 – 16, 2017](#)

Our goal is to provide a highly interactive forum for clinical practitioners and researchers with a focus on brain reorganization in epilepsy and how brain plasticity affects motor, cognitive and imaging aspects.

We are very honored to be hosting an expert faculty of distinguished [international speakers on the following topics](#):

- brain networks in epilepsy
- epileptogenesis and functional plasticity
- brain reorganization in epilepsy: motor, cognitive and imaging aspects
- disconnection in epilepsy
- neuromodulation
- prediction of seizures and outcomes

We encourage you to [submit an abstract](#) and share your research with other experts in the field of epilepsy.

The deadline for abstract submission is [April 16, 2017](#).

We look forward to welcoming you in Leuven!
