

34th INTERNATIONAL EPILEPSY CONGRESS, PARIS, FRANCE

Saturday 28 August – Wednesday 1 September 2021

Call for Main Topics and Session Proposals

Dear All,

Preparations are now underway for the 34th International Epilepsy Congress, which will take place in Paris, 28 August – 1 September 2021.

The Scientific and Organising Committee (SOC) would like to provide you with the opportunity to submit a main topic proposal for one of the five main topics of the congress. Topic proposals must be submitted using the official online form, before the closing date **Friday 18th October 2019**.

We would also like to invite you to submit a session proposal(s) for up to two 90-minute sessions to form part of the scientific programme. Full proposals including the names of speakers and the suggested session and presentation titles, must be submitted using the official online form, before the closing date **Friday 18th October 2019**.

Please refer to the instructions and recommendations, before submitting a proposal. The aim of the Scientific and Organising Committee is to create a comprehensive programme which will encompass topical and varied themes. Please note that the SOC will be responsible for the final selection of sessions; presentations and/or speakers may be changed or amended to fit the overall programme as the SOC deems it appropriate and the SOC will decide on the format of sessions.

Please note that the present invitation to submit proposals refers to the scientific sessions and not to the specialty Talking Shops. A separate invitation for the Talking Shops will be circulated at a later stage.

If you have any questions or require further details about the submission process, please do not hesitate to contact the congress secretariat at iec@epilepsycongress.org

We hope that you will all consider contributing to what promises to be a truly outstanding congress, and we look forward to welcoming you to the IEC in 2021.

Best regards,

Samuel Wiebe
President, ILAE
Congress Co-chair

Martin Brodie
President, IBE
Congress Co-chair
